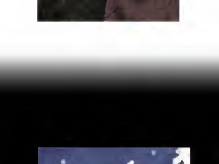
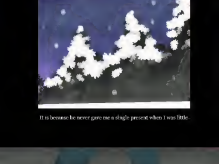
[CHRISTMAS SPECIAL THRILLER EPISODE]

Who Killed Santa?

Story: Ki-Ho Kang

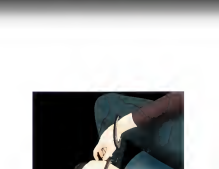




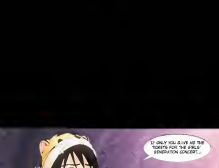
It is because he never gave me a single present when I was little.

And since I have never received any presents from him,
I became rebellious, and ultimately, lived precariously.
I wanted to take revenge on Santa, who had made me like that.

So, I searched for Santa for ten years, and finally found his home.



I KNOW, BUT IS NOT A GUEST'S DUTY TO KNOW MORE THAN WHAT THE HOST HAS SHARED BECAUSE OF COURTESY?
I'M A PRISONER.
I KNOW I CAME TO KILL YOU, OLD MASTER.



HE SAID THAT SCROOGE DID FOUR HUNDRED YEARS AGO...
AFTER I REALIZED THAT I WAS NOT THE ONLY ONE THAT AM I COULDN'T HATE HIM ANYMORE.

I threw my knife away and apologized to Santa.

But I felt uneasy leaving just like that.

For all the children waiting for Santa's present...

And in order to prevent someone like me from ever coming again...

I thought that I needed to do something

OLD GEEZER!
